Estes Teachers will:	Parents/ Guardians will:
Establish a positive, safe learning environment by supporting the needs of the whole child.	Support your child's learning by ensuring that they have good attendance and arrive at school on time each day.
Use student planners/ homework logs to communicate with parents regarding homework and student behaviors.	Help your child complete homework and sign student planners/ homework logs daily (if required).
Conduct flexible small guided reading and math instruction based on student need.	Make reading a daily routine at home.
Provide parents with support on how to help their children at home in reading and math.	Attend school events to receive tips on how to assist your child at home in reading and math.
Keep parents informed of their child's academic progress through assessment results, report cards, and Parent Portal (Gradebook online system).	Communicate regularly with your child's teacher. Stay connected by visiting the school website, accessing Parent Portal, and reviewing classwork with your child.
